About:

The new Level 3 Award in the First Person on Scene (Intermediate) is an up to date qualification underpinned by current practice.

It provides learners with the knowledge and life savings skills to assess, manage and treat a patient in a trauma and/or medical emergency and to stabilise the patient for up to forty minutes before the ambulance or pre-hospital care providers arrive.

The qualification is regulated by the government department Ofqual and is clinically endorsed by the Royal College of Surgeons Edinburgh, Faculty of Pre-Hospital (FPHC) Care and meets the Level 3 FPHC Pre-Hospital Emergency Medicine Skills Framework. It is further approved by the Association of First Aiders.

On completion of the qualification, the learner will be eligible to apply to the Faculty of Pre Hospital Care for Level 3 membership.

Progression will be available up to a level 4 diploma (in development).
